

The Business, Consumer Services, and Housing Agency oversees departments, boards, commissions, and agencies that: protect the public through the licensing and regulation of more than 100 businesses and 200 professional categories; regulate financial services and statelicensed financial institutions; regulate the sale of alcoholic beverages; regulate the cannabis industry; regulate the horse racing industry; investigate and prosecute civil rights violations; and promote safe and affordable housing opportunities. The Agency is comprised of the following entities: the Departments of Alcoholic Beverage Control, Cannabis Control, Consumer Affairs, Fair Employment and Housing, Financial Protection and Innovation, Housing and Community Development, and Real Estate; the California Housing Finance Agency; the Alcoholic Beverage Control Appeals Board; the California Horse Racing Board; the Cannabis Control Appeals Panel; and the Homeless Coordinating and Financing Council, which serves as a statewide facilitator, coordinator, and policy development resource to address homelessness.

1045 Cannabis Control Appeals Panel

The Cannabis Control Appeals Panel (Panel) was established pursuant to the November 2016 voter approved Proposition 64, the Adult Use of Marijuana Act, and amended by Chapter 27, Statutes of 2017 (SB 94), the Medicinal and Adult-Use Cannabis Regulation and Safety Act. The Panel is organized under the Business, Consumer Services and Housing Agency and consists of five members, one appointed by the Senate, one appointed by the Assembly, and three appointed by the Governor, subject to confirmation by the Senate.

The Panel provides a forum of appeal for individuals to address licensing decisions made by a cannabis licensing authority relating to any penalty assessment, denial, transfer, condition, suspension, revocation, or other disciplinary action of annual cannabis licenses. The Panel streamlines the appeals process, and provides expertise and due process in the review of licensing decisions.

1111 Department of Consumer Affairs

The Department of Consumer Affairs (Department) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps promote good business practices and ensure California's consumers receive quality services by establishing minimal competency standards for approximately 250 professions and occupations involving more than three million professionals. The Department is also an important advocate on consumer and business issues. In general, the Department's Boards and Bureaus provide exams and licensing, enforcement, complaint resolution, and education for consumers.

In addition, the Department provides centralized services for efficiency. Specifically, Department staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently 26 boards, one committee, and one commission under the broad authority of the Department, and eight bureaus and one certification program under the direct oversight of the Department. The Bureau of Cannabis Control will be consolidated, along with the state's other cannabis licensing entities, into the Department of Cannabis Control effective July 1, 2021.

MAJOR PROGRAM CHANGES

- Consolidation of Cannabis Licensing Entities—The Budget includes the consolidation of the functions and positions of the Bureau of Cannabis Control, the Department of Food and Agriculture, and the Department of Public Health into a new standalone Department of Cannabis Control within the Business, Consumer Services, and Housing Agency beginning July 2021. This consolidation will simplify participation in the legal market and support the successful and safe operation of cannabis businesses in compliance with state law.
- Local Jurisdiction Assistance Grants—The Budget includes \$100 million one-time General Fund in 2021-22 to establish a
 local jurisdiction assistance grant program to help local governments and aid licensees in successfully and swiftly moving
 from provisional licenses into annual licenses, and to do so in a way that supports environmental compliance requirements.
- Fee Waiver or Deferral Program—The Budget includes \$30 million one-time General Fund in 2021-22 to implement a fee
 waiver or deferral program pursuant to the provisions of Chapter 852, Statutes of 2019 (SB 595), to reduce barriers to entry

into the legal cannabis market.

Transfer of Local Equity Grant Program—The Budget includes statutory changes to establish permanent funding authority
from the Cannabis Tax Fund for the local equity grant program that is administered by the Governor's Office of Business and
Economic Development (GO-Biz). This change will provide permanent support so GO-Biz can help expand the work of
facilitating greater equity in business ownership and employment in the cannabis market. The Budget includes \$15.5 million
ongoing Cannabis Tax Fund for this program, and \$20 million one-time General Fund in 2021-22.

commissioners to review, evaluate, and translate scientific information and make recommendations to guide and influence earthquake safety policies.

The Commission works with federal, state, and local agencies, as well as the private sector, on a variety of activities that support the state's earthquake preparedness, mitigation, response, and recovery. These activities include: (1) developing and reviewing seismic safety projects; (2) providing a consistent policy direction; (3) proposing and reviewing earthquake-related legislation; (4) conducting public hearings on seismic safety issues; (5) using existing knowledge and conducting studies, where necessary, to improve the performance of structures in California, (6) recommending earthquake safety programs and supporting cost-effective partnerships that help reduce earthquake risks and speed economic recovery.

The Budget reflects the transfer of the Commission to the Office of Emergency Services beginning in 2020-21, consistent with Chapter 20, Statutes of 2020 (AB 100).

1703 California Privacy Protection Agency

Proposition 24, the California Privacy Rights Act of 2020, was approved by California voters on November 3, 2020, creating the California Privacy Protection Agency. The Agency is vested with administrative power, authority, and jurisdiction to implement and enforce the California Consumer Privacy Act of 2018, which is aimed at protecting the use of personal information and the promotion of public awareness and understanding of the risks, rules, and rights related to the collection, use, sale, and disclosure of personal information, including the rights of minors.

The agency is governed by a five-member board, including the chairperson. The chairperson and one member of the board are appointed by the Governor. The Attorney General, Senate Rules Committee, and Speaker of the Assembly each appoint one member. These appointments are to be made from among Californians with expertise in the areas of privacy, technology, and consumer rights.

MAJOR PROGRAM CHANGES

The Budget includes a net zero shift of funding included in the 2020 Budget Act for the statewide implementation of safety
review panels at all California racetracks from the Horse Racing Fund to the newly established Horse and Jockey Safety and
Welfare Account. This funding shift provides a reprieve to the racing associations that have experienced significant financial
hardships due a decline in wagering, intermittent closures required to implement safety enhancements, and extensive racing
restrictions and closures due to the COVID-19 Pandemic.

PROGRAM DESCRIPTIONS

1660 - CODES AND STANDARDS PROGRAM

The objective of this program is to protect the public's health, safety, and general welfare in buildings and structures designed for human occupancy through the enforcement of the California Health and Safety Code, including the State Housing Law, Employee Housing Act, Mobilehome Parks Act, Special Occupancy Parks Act, California Factory-Built Housing Law, and the Mobilehome-Manufactured Housing Act. HCD works with factory and site-built building industries, stakeholders, and other government agencies to review and propose the adoption of international, national, and uniform building codes as the basis for all residential construction in California. The program also enforces federal and state standards for the construction, safety, sales, and titling of manufactured homes, mobilehomes, and commercial modulars.

1665 - FINANCIAL ASSISTANCE PROGRAM

The objectives of this program are to: (1) increase housing supply by providing loans and grants to develop and preserve safe and affordable housing for lower-income households, (2) promote economic, community, and job development by awarding state and federal housing funds, (3) reduce homelessness through financial assistance and policy leadership, and (4) monitor funding recipients for compliance with the terms of their contracts with the state.

1670 - HOUSING POLICY DEVELOPMENT PROGRAM

The objectives of this program are to: (1) facilitate an adequate supply of housing affordable to all income groups through the development, promotion, and implementation of innovative housing and community development policies, practices, programs, and partnerships with state, regional, and local partners, (2) provide oversight for local housing plans, (3) administer planning and incentive grant programs, and (4) provide research, collect and analyze data, and evaluate and communicate progress in meeting HCD goals and outcomes.

1675 - CALIFORNIA HOUSING FINANCE AGENCY

CalHFA is statutorily required to maintain financial and operational independence, setting loan interest rates slightly above its cost of funds and charging fees to cover its lending costs and risks. The objective of CalHFA's lending activity is to advance the creation and preservation of affordable housing using various lending models that facilitate: (1) mortgage loans to qualified low and moderate income homebuyers to finance the purchase of an affordable home, (2) permanent loans to create and preserve multifamily housing projects for low and moderate income residents, and (3) special needs housing loans to facilitate the construction, rehabilitation, and acquisition of housing needed to serve special needs populations.

1680 - LOAN REPAYMENTS PROGRAM

This program displays the estimated loan repayments made under HCD's Financial Assistance Program.

9900 - ADMINISTRATION PROGRAM

This program provides: (1) executive leadership in designing, implementing, and communicating housing programs and

policies, (2) fiduciary oversight and fiscal management through its audit, accounting, and budget functions, (3) development, review, and implementation of legislation related to HCD programs, (4) housing-specific legal expertise, and (5) support services in the areas of personnel, information technology, business services, and contract management.

PROGRAM DESCRIPTIONS

1700 - DEPARTMENT OF REAL ESTATE

The Department of Real Estate ensures that individuals who wish to engage in real estate business and act in the capacity of, or advertise as, a real estate broker or salesperson within California meet specified qualifications, and makes sure licensees meet minimum education standards and requirements. The Department investigates the actions of any person acting in the capacity of a real estate licensee, performs financial compliance audits of licensees and subdividers, administratively prosecutes violations of the Real Estate Law and Subdivided Lands Law, and provides victims of real estate fraud with financial recovery per limitations set by statute. The Department protects the public against fraud and misrepresentation in the sale or lease of subdivided land through the issuance of public reports that disclose vital information to prospective purchasers of subdivision interests.
